

Austin Tercha

| 215-713-6617 | camper484@outlook.com

Education

MASTER'S DEGREE | FALL 2021 | UNIVERSITY OF PITTSBURGH

- Computer Science

BACHELOR'S DEGREE | FALL 2020 | UNIVERSITY OF PITTSBURGH

- Major: Computer Science
- Minor: Mathematics
- GPA: 3.64

DIPLOMA | JUNE 2017 | MONSIGNOR BONNER & ARCHBISHOP PRENDERGAST

Skills & Abilities

PROGRAMMING LANGUAGES

- Python and Java, JavaScript (Professional and Coursework)
- C/C++ and x86 assembly (Coursework)
- Scala (Coursework)
- MATLAB (Coursework)

LIBRARIES AND FRAMEWORKS

- Selenium and Appium (Browser Automation)
- AWS and GCP (Cloud Infrastructure)
- Pthreads, MPI (Parallel Computing)

- Docker/Docker-Compose, Kubernetes
- ROS (Robot Operating System)
- Python Data Science Libraries (Scipy, NLTK, Numpy)

TOOLS

- Jira (Issue Control)
- Bitbucket, Perforce, Github (Version Control)

OTHER

- XML, HTML and Markdown (Professional)

Relevant Coursework

COMPUTER SCIENCE

- Machine Learning
- Operating Systems Programming
- Cloud Computing
- Network Security and Cryptography
- High Performance Computing

MATH

- Calculus 1 and 2
- Differential Equations
- Theoretical Math and Discrete Math
- Statistics and Probability
- Linear Algebra

Experience

HONEYWELL, VOICE SOLUTIONS | SOFTWARE ENGINEER INTERN (SUMMER 2019, SPRING 2020, SUMMER 2020)

- Migrated propriety library to use industry standard Selenium for the Test Automation software, resulting in reduced maintenance costs. Enhanced installer to allow new users to use and configure the framework faster.
- Worked with global team members to troubleshoot shared code. Worked in all areas of software development cycle
